2016/2017

In Appreciation

This edition of the Brentonian is dedicated to

Mike and Maggie Flynn | *Faculty*

Mike Flynn

1998-2017

Head of Business and Information Technology

Head Coach of Hockey, Rugby Coach

Maggie Flynn

1999-2017

Mackenzie Houseparent

Head of Learning Centre

Teacher of French

University Counselor

Volleyball Coach

Mike and Maggie Flynn arrived at Brentwood in 1998 and 1999, respectively, and have been forces of nature in our community ever since. As a team, they were Mackenzie Houseparents for thirteen years, bringing their passion, compassion and relentless energy to the girls of Mack. Maggie also led the development of our Key and Learning Centres, celebrating and serving the diverse strengths of our students with empathy and determination. Mike, meanwhile, has broadened the impact of the Business and I.T. Department, spearheading the marketing and entrepreneurship courses and managing the development of Brentwood's External Revenue Programs. He has also been the Scotty Bowman of Brentwood Hockey and organized and led countless hockey and rugby tours to Ontario, England, Wales, France, Australia and Argentina. Maggie and Mike have been exemplary Brentwood Faculty whose positive impacts on our school family will be felt for decades. We wish them a reluctant goodbye.

Yearbook Team

The yearbook team brought on a fresh crew this year. With mostly new members, it took a few weeks for the group to discover the twists and turns it takes to be a creative and efficient yearbooker. Contrary to popular belief, we do not just occasionally walk around campus with cameras; we must plan our photo shoots, choose stunning photos, make witty captions, chase down photo-shy students, and learn most, if not all, of the names and faces of 540 students.

A yearbook is one's high school memories bound neatly into a single tome. When people get nostalgic and want to share their youthful days with their grandchildren, it's the yearbooks that come out. Every bad haircut, every old friend, and every decision, good or bad, is perfectly documented in these 300 pages.

It has been wonderful working with these dedicated and hard-working students. Much of the credit must also go to our astute leader, Mr Ganley, as well as our amazing graphic designer, Mrs Beaton. From your Co-Captains, we sincerely hope you enjoy every smile, laugh, and memory that we've captured in this book.

Sincerely,
Linnea Munro & Seo Young Ra
Yearbook Captain & Website News Captain

The fate of a yearbooker is to toil in obscurity for nine months only to have your work celebrated, like a flash in the pan, on the penultimate day of school, before the book is placed, on a shelf, to collect decades of dust.

But that is only partly true.

Yearbookers imagine the days when, in nostalgic moments, this volume is cradled by you, and perhaps a friend or child, in a well-worn armchair as the pages are turned slowly, as the search resumes for photos of self and others, for memories lost and found.

When this day comes, please give thanks to the '16-'17 yearbook team: Linnea Munro, Seo Young Ra, Chidinma Ayadiuno, Thomas Bell, Glory Chima, Sydney Cristall, Adam Diardiere, Vivian Fang, Sarah Gillies, Luis Mangubat, Virginia Waddell & Zach Lambert. Thanks also Mrs Marny Beaton our talented, patient, and precise graphic designer who has added so much quality to our creation. She will be greatly missed.

With only five returning players, our team was young and inexperienced, but that didn't hold us back. We kicked off our season hosting the Friendship Cup. It was a great opportunity for us to get to know each other and learn a new system; we worked hard and finished 3rd. Next we competed in the ISAs at SLS and the CAIS tournament at GNS. Although we did not always have the results we wanted, we continued to work hard and develop as a team.

A highlight of the season was a Showcase game vs a Cowichan 2nd XI which boast five junior provincial players. We played under the lights on the turf in front of a home crowd. It was an excellent game with us losing in a sudden-death shootout.

At the Island Championships, our hard work paid off as a 3-0 win over GNS secured us a berth at the Provincials. We finished 2nd on the Island losing 2-0 to SMUS in the final. While the other students left on midterm, we headed off to Provincials in Surrey. As we lost some players to the university

tour, Charlotte Bebb & Megan Kruger joined us and were great additions to the team.

Hampered by illness, we tied SOSS in our 1st game even though we had the majority of the play. Not to be discouraged, we regrouped, remained focused, and continued to improve. Tying SOSS in pool play, we had to go to a shootout. We played them a second time, drew again, and faced a second shootout. Our "flame on" ritual was good luck as we beat them both times and advanced to play for 5th against JL Crowe.

Although we lost the game 2-1, it was a great match. We finished 6th in the province which was an excellent result for our young team. We cannot thank Ms Martin and Coach Sloboda enough for their support and for believing in us; we could not have done it without them.

Even though field hockey was a considerable time commitment with the team driving to the turf in Duncan every sports day, the turnout was good and we managed to put together a team of fifteen consisting of Junior A and Senior B girls. Although the season started slowly with the everyone having varying degrees of experience, by the end of the term the girls really started to look like a team and win.

The first tournament of the season was the Friendship Cup at Shawnigan. After only two practices, the First 11 and Second 11 teams headed to the John Ferreira Field to compete at the Friendship Cup Tournament against local teams. Although we did not do as well as we would have liked, it was a period of growth and a chance for the coaches to decide where to focus on improving our skills.

Our next two tournaments were at Shawnigan where our coaches started to change our positions and boost our teamwork as well as making sure everyone played to their full potential. At these tournaments LJ LaVallee scored our team's first goals.

At our final tournament, we competed at Junior Islands. After playing on the water based turf, playing on the rubber was a challenge. Even though we weren't used to the playing surface, we didn't lose a single game but unfortunately ended up playing in the 3rd/4th final because of the points system. Although it was slightly disappointing, we played our best and we ended up winning the game and coming third in our tier on the Island.

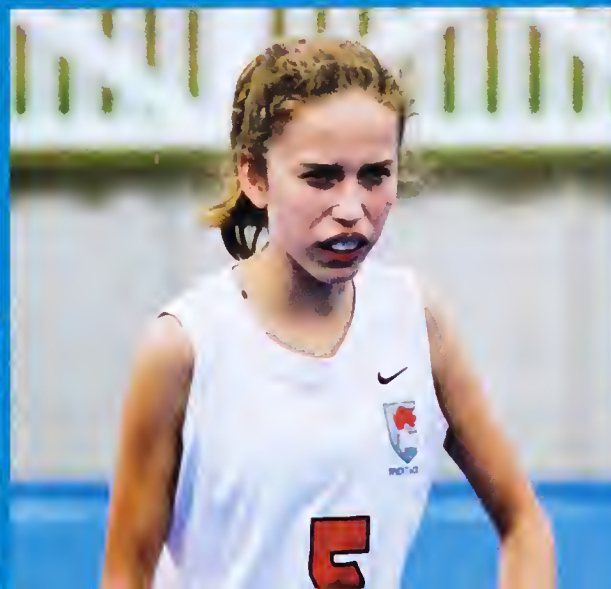

All of our progress was brought on and supported by our wonderful coaches Sue Whitney & Alyssa Davidson. Supporting our coaches was Charlotte Bebb who was always positive: she was a leader both on the field and on the sidelines. We would like to thank our coaches for taking the time out of their days and putting so much into inspiring us to do our best every practice, game and tournament.

In September, for many of us the first term at Brentwood, most of us didn't have any experience in field hockey. We started off the year learning the fundamentals of the sport; stick handling, passing the ball, etc. Some of us picked up the sport quickly, others, not so much. Nevertheless, the girls were learning and growing. Our first game was at Shawnigan: we were all hopeful that somehow we had pieced together a team out of the little experienced we had.

Alas, we had not.

We lost that game scoring no goals and we were beaten badly by our opponents. We may have lost, but something special had come out of the experience: friendship. We didn't mind that we had lost the game, we had something to laugh about and something to practice towards.

We went home and we practiced: Couch Coull had us practice new game plans and we could feel ourselves coming together: then came our first tournament. We were all at different emotional states: some of us were hopeful, other not so much, while some of us were trying to get the team pumped up. But

it did not work: we lost all of our games and went home in last place.

Again, we didn't mind that the scoreboard said zero; we all had fun laughing about how much improvement we needed. The times on and off the field were exciting. We were chasing bunnies or torturing Couch Coull with our sub-par singing. It was fun because we looked at our losses as wins.

Field hockey was a great experience because of the friendships that were made there. Our last practice was the most fun I had ever had on the field. Couch Coull was still trying to teach us skills, but we were just trying to have fun. We spent that final afternoon with the friends we had made and fondly remembered the times that we had shared together.

We may have not won a single game and only scored one goal (special shout out to sharpshooter Emma Mandziuk, Hope '19 for that success) but we had a good time and we forged some friendships that we still have today and hopefully for the rest of our time at Brentwood.

Junior Colts Rugby

Back Row (L-R): Smith, Scott, Assaly, Alex, Sonny, Josh, Tycho, Libell, (A-L): Parker, Thomas, Lapsley, Tony, Elser, Michael Bhang, Josh, Haley, Z. It takes courage to play rugby. There are plenty of sports available at Brentwood that ask less of you. When we were running our fitness drills, the down-and-ups, you must have looked at those who had finished their afternoon sport and were heading uptown.

When we were tackling, and tackling, and tackling some more, and your bones ached and the small depression at the edge of your shoulder tingled, you must have seen others enjoying some frisbee.

Do you remember when it rained so hard that drops splashed down into puddles, forming bubbles inches below your face? Did they play tennis that day? Or when we were playing that other school, their army, and they had scored again and you asked the ref how much time left and he said 30 minutes? That must have been hard.

But you kept going. You improved. Michael Bhang never stopped getting better. Torren Kaiser never stopped scoring in the face of relentless pressure. Sonny Assaly, you may be

the smallest, but you are one tough nut. You never took a backward step, and Kenton Laurion, though your jokes were annoying, you tackled with courage. Pio Lorente, you were a revelation.

Grade 8s, you embodied courage. Most of you had never played, and were asked to play against boys who had, and who were a year older. That is daunting, and most would have said no thanks, I have soccer on Saturdays. (That most of you did have soccer on Saturdays speaks to your commitment.) Jack Napier-Ganley led from the front, and others were quick to follow. David Lee showed grace and guile and Jahmaal Kennedy showed grit and gumption. Joshua Haley was athletic throughout and Dale Foerster played with sheer joy.

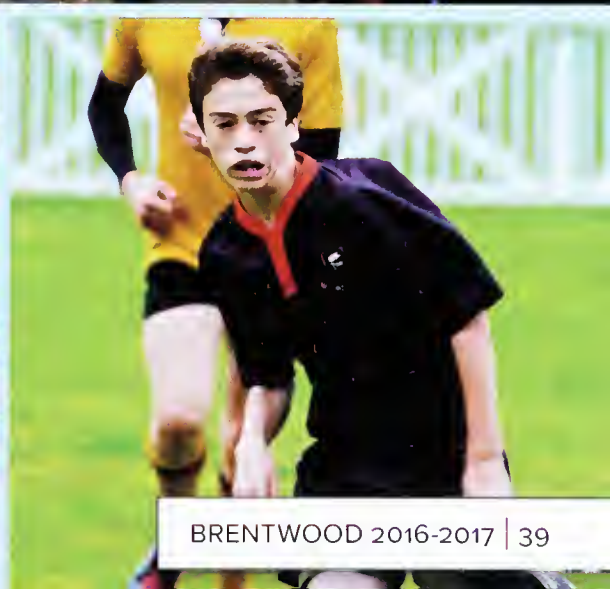

Winston Churchill once said, "Success is not final, and failure is not fatal. It is the courage to continue that counts." This year, you boys counted. Well done.

Qualifying for the BCs, Sr. Boys Soccer had a very successful season. At the ISAs, with three very close round robin games, 2-1, 1-1, 1-0, we had a 7th place finish. At the North Islands a late goal from Carihi in regulation and a rocket of a finish in extra time had the boys fall short and we earned silver.

The Islands featured three wins against Lambrick, Kwalikum and SMUS thanks to two fantastic efforts from Sion Griffiths. This led the boys to an Island Final and an automatic berth to the BCs.

The Island final against Carihi was not your storybook start as the boys went down 1-0 and were issued a red card. A disjointed first half came to a close down 1-0. A new, fired up team came flying out of the gates in the second half. We created chance after chance: crossbars, posts and saves kept the game at 1-0 then Sion Griffiths scored again to tie the game. Extra time. A shoot-out had the boys fall short and once again we had to settle for 2nd.

At Provincials you must finish at the top of your group to qualify for the final four. We started with wins over Sands & LV Rogers & a 0-0 draw to Seaton. Another penalty shoot-out was the tie-breaker to see who went through to the final four.

A shoot-out loss meant the boys missed the final four. In the final game against Pitt Meadows Alejandro scored a fantastic goal, chipping the goalie to end the tournament with a 4-0 win and a 7th place finish.

The season was great: success, growth, and some ups and downs that were learned through. Was it your fairytale ending? No. But one of the most impressive parts of the season was the end. As SMUS was called up to the stage to collect its banner our boys cheered and created a walkway tunnel with their arms to guide the victors up onto the stage. This was a show of sportsmanship and pride for Island soccer. Although it was not the team that Brentwood had hoped to win, it was an Island team that won. It also meant that Brentwood was hungry and ready for the challenge that the fall of 2017 will bring.

Junior Boys Soccer worked hard this season. After waiting for a certain straggler (Hello, Ope) we almost arrived to every game on time. Our pre-game warm ups were full of fire, with all 17 guys wanting to make Brentwood proud.

Our first crucial tournament was the ISA Championships and although we had only been practicing together for two weeks, it felt like we had been a team forever. We played with heart and determination, but lost an evenly matched game against St Michael's 1-0. This placed us 3rd with two wins, a tie, and a loss. We bounced back from the narrow loss and practiced with more intensity because we had one thing on our minds: Islands.

But there were also league games to play where we proved ourselves by defeating all of our Mid-Island opponents: Shawnigan, Kelsey & Gulf Islands. This gave us a guaranteed spot at the Islands which we hosted.

At Islands, after two tough games against Oak Bay and Brooks, we had no other choice but to raise our heads high, and defeat SMUS, our ISA nemesis. We played with backbone and heart,

beating our rivals 3-2 and stealing their shot at an Island gold medal.

None of this would have been possible without our coaching staff of Mr. Collis, Mr. Barrett, and Mr. Sturrock and our athletic therapists, Mariah and Laurel.

Jesse Harold, Ellis '19

Each year has its own narrative arc: this season SMUS provided the curve. SMUS, my alma mater, somehow beat us at the ISA tournament in September thanks to witchcraft, officiating miscues, and masonic activity, but, Nostradamus-like, I took it with equanimity, for I am patient.

Sure enough, as sure as Ope will be late for the bus, we came face to face with SMUS in the final group game at the Island Championships: if SMUS won, they went to the final. They rubbed their hands in anticipation. They smiled dazzlingly at the media. They mentally made lineups for the final. They regaled each other with anecdotes about famous alumni Steve Nash and that soccer legend from 1989.

Final score? Brentwood 2, Hubris 1.

The 2016-2017 school year marked the first time in recent memory that Brentwood fielded three soccer teams, with a Development squad joining the traditional Junior and Senior teams. Composed of athletes who remained undeterred after tryouts, the Development team started the season with the dual goal of improving while, of course, enjoying themselves.

Less than a week after being formed, they set out to their first tournament with the nervous optimism of any new team. Their schedule consisted of three hour-long games in a single day. As expected, the first few games were messy, as the team found its style of play and Coach Brown worked out optimal positioning. Throughout the tournament, the boys had moments of panic and moments of skillful fluidity; unfortunately, all three games resulted in hard-fought losses. Exhausted, disappointed, and somewhat bruised, the team headed back to Brentwood to train.

Over the next month, they worked on positioning and skills, and, during scrimmages, learning how to play with each other. Their work paid off during a second tournament a month later, hosted by Shawnigan. Playing as an exhibition team (both juniors and seniors played with the team) they came away with their first win of the season. There were a few more weeks of practice, but November 12th marked the final scrimmage of the season.

Some players will be continuing to practice and train with the winter development program, but the competitive season is officially over, after an educational and enjoyable two months.

This fall Brentwood's Senior A Volleyball team rose to the challenge of filling in our missing pieces. With only four returning Grade 12s, our team was quickly formed during the first week of school as we brought in three new students and the Grade 11s.

Our first tournament at UBC was so early that some of us had never played together, but it helped form the building blocks to a strong team. Throughout the season, we went through many ups and downs, including injuries or watching ourselves dig deep into a game and not receiving the outcome we wanted. We improved, however, and were able to win North Islands and the Island Championships earning a berth to the Provincial Championships.

Going into Provincials, the last tournament of our season, we had high hopes of doing our best. We prepared ourselves the best we could with countless hours of training on the court. Though our results in provincials were not exactly what we wanted as a team, there is no doubt about the effort this team gave.

After playing for Brentwood for four years, I cannot believe this amazing journey is over. Pulling on my jersey for the last time was a hard thing to do. I have played with some of these girls for all four of these years, and even the new ones who joined this year are now like family.

We would not have gotten through this season if it hadn't had been for our two amazing coaches, Mike Minckler and Jill Fougner: those two were our rocks. For the countless hours spent with us on and off the court, in order to make us into the players we are today, we cannot thank you enough. You two both made it easier to have a love for the game of volleyball; without your commitment it would not have been possible. From the seniors who will be leaving, we wish all of the returning girls the best of luck and another great season in 2017.

The Senior B Volleyball team began the year with 12 tenacious, competitive athletes and two brand new coaches and ended as one strong unit. Under the leadership of Captain Hanna McNeill, the team developed greatly and played some excellent volleyball.

The first test for the girls was their game against Shawnigan Lake School. With only two practices under their belts, they went on the court determined to grow as a team and dominate on the court. We lost by only a few points but improved greatly in both skill and connectedness as a team. The game only made the girls hungrier for another match.

After several demanding practices, the team participated in the Duncan Christian Invitational Tournament. This was made up of 16 local A teams. The girls played extremely well, losing only 2 out of 5 games. The pool play consisted of close matches resulting in a move to the consolation side of the draw where the girls made it into the top 5. It was a hard fought battle but the girls persevered finishing well.

Our two new coaches, Ms. Cook & Ms. Ball were amazing this year, going above and beyond to unite us a team and help us play at a highly competitive level. Congratulations to the entire Senior B team on a highly successful season.

Brentwood's Junior A Girls Volleyball team had a great season. The team exceeded all expectations from the very start. We played in 7 tournaments: Isfeld, Dover Bay, Belmont, VIU, ISAs, Central Islands & Islands. While most school teams draw upon their local clubs for players, we spent the first half of the season coming together as a group, tightening fundamental skills, and learning team systems and strategy. After playing in some tough pools early in the season, we managed to win a couple of B side events. The tournament at Belmont was particularly satisfying with some well-fought victories. Our proudest moment of the season was coming first in the Central Island region. At this event we played some of our most dynamic volleyball and crushed all of the challengers without losing a single set.

I am also very proud of how our team played their hardest in some very difficult games at the Island Tournament. We really came together as a group and some of the greatest moments were spent on the bus rides singing, as well as on the court playing hard for each other. Our very last game as a team was

bitter-sweet, but we played hard and won in the third set. It was terrific to see the girls finish the season on a high note and build on the momentum we made throughout the season. There is amazing potential in this group and I'm looking forward to seeing my teammates improve even more next year.

The Junior B Volleyball team had a very successful season and the girls on the team were brought together by one common mission: to have fun while playing the sport they adore.

The team of 14 included some seasoned veterans, but most were relatively new. They were dedicated to improving their skills whether it was in practice or during a match. The common thread was to come together as a team, to play with grit, and to always communicate with each other. With calm and consistent Coach Scheck at the helm, the girls learned new skills & strategies. Each athlete was passionate about her position and challenged herself to reach her potential.

The team played in five matches. Through laughter, sweat and a few tears this team finished with a one and five record. They never felt like any of the matches were a loss, as they were doing what other teams were not and learning systems of play. They held their heads high and said, 'The next one is ours.'

The next challenge was playing in the Junior A ISA tournament. With their nerves on their sleeves, the team stepped on the court each game with determination to play their hardest and to communicate. It was a successful tournament with them enthusiastically winning a game 28-26! This was their shining moment, just like winning the entire tournament. They finally saw how all their countless hours spent in practice paid off.

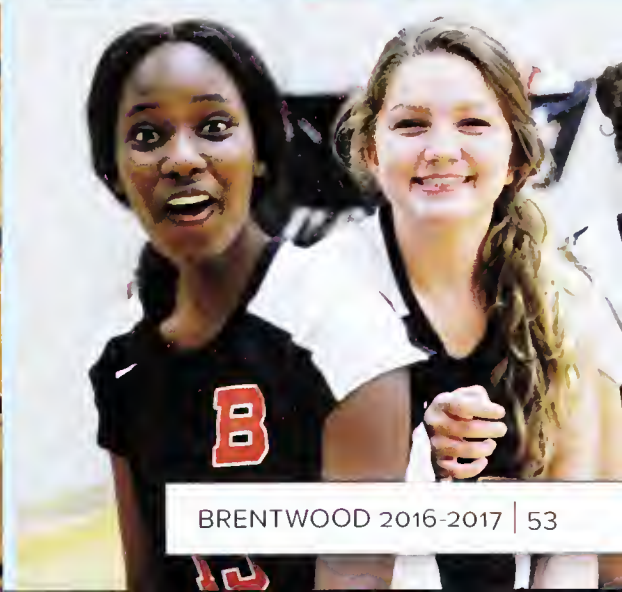

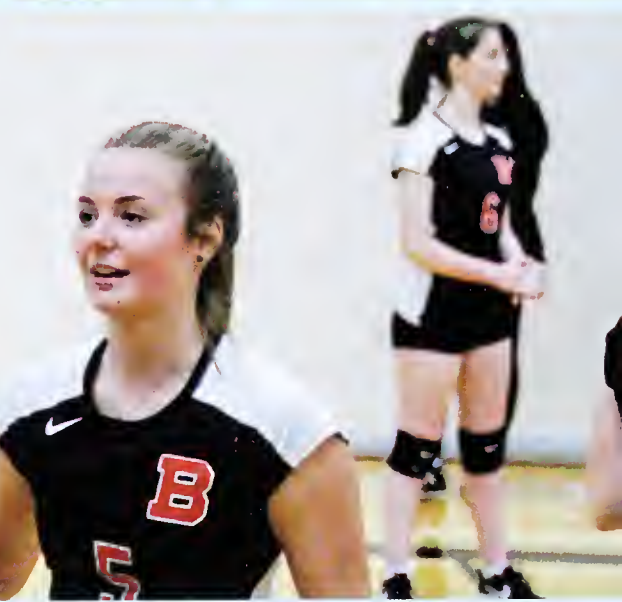

The final tournament for this rising team was the Cowichan League. We were ranked fifth out of seven. The girls were at their peak, which Coach Scheck was striving for, and they came out on top, winning their pool. This granted them a spot in the final. The excitement of their feat was felt throughout the gym. They played a very strong match and narrowly missed taking the league title. This young team were thrilled and proud of their second place finish. The girls came a long way from that first practice together and they definitely displayed grit and joy!

It was our first practice; we were all scared: most of us had never played before. Thirteen girls, new faces. We learned to play the game from the basics, having no idea if we might be successful. It might be a complete failure; we would probably be making fools of ourselves, but we knew that we had to give it a chance, we all had to try our best.

We won our first set ever against Chemainus. It was a great first step. That moment really lifted the team: it helped us realize that if we worked hard we could own the game no matter who was on the other side of the court.

We practiced for three months, five hours a week. Ms. MacKenzie, our coach, taught us how to work as a team and develop our skills. Our last league game was against Q of A. The home crowd support, photographers, and the appearance of Mr. Patel turned the atmosphere in the gym electric. Our team had a big win in the first set, led by consistent serves and solid passing.

It seemed like just another sports day afternoon, but my teammates and I knew it wasn't; it was tournament day. The amazing season we had was coming to an end. We were all very sad but also excited. Our team really came together and bonded to form a strong, cohesive unit. Although we didn't make it to the finals, we walked off the court with our heads held high. We accomplished what we set out to do; we played our best.

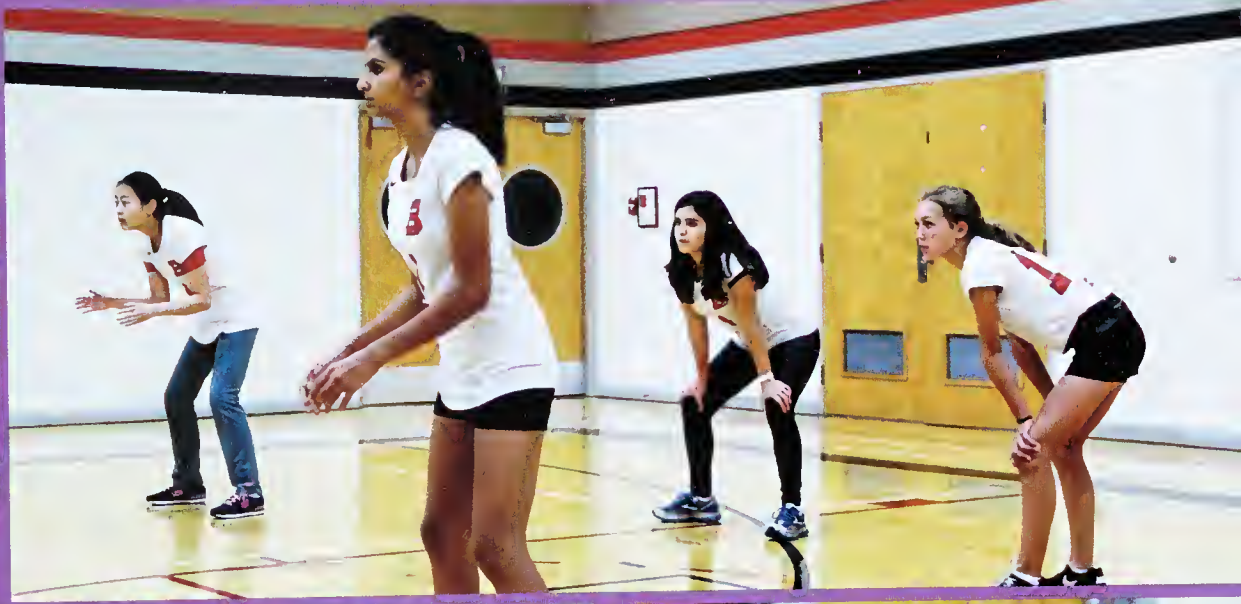

We had an amazing season: we had lots of fun, learned how to play volleyball, and created special bonds. Thanks to our amazing coach, Ms. MacKenzie, who believed in us and helped us grow as a team and as teammates. Not only did we learn to play volleyball, we also learned that the scoreboard doesn't always reflect who the winner is; we learned to trust ourselves and our teammates and that trying our best is what brings the most joy and satisfaction. I will miss our practices, Ms. MacKenzie, and my teammates, and I will treasure the great memories of the season.

When we returned from our summer break, the cross country team took to the trails. Under the guidance of coaches Rose, Day-Reynolds & Skardal, we began our tri-weekly runs. Co-Captains Olivia Peterson & Jamal Hasam led the runners through new trails, each one varying between 5-10 kilometres. Whether scaling the heights of Rat Lake or sprinting along the rushing waters of Nature Trail, our runners mastered terrain and covered distances which we never thought possible.

Joining us for our competitive season to give us insight into the world of high level racing was Coach Tyler (Level III NCCP). He brought a whole new dynamic to Brentwood XC, with kilometer repeats, Fartleks, and interval training. Under his guidance, runners of all abilities improved their technique and fitness.

We kicked off our races around the trails of the Glenora Trailhead Mid-Island Cross Country Challenge. Not only was this race physically challenging, the roots, corners, and sudden shifts in elevation made it technically challenging as well.

Keaton & Madison Heisterman earned great results, 2nd in the junior boys & senior girls. Our second race found us running the trails of Beaver Lake at the Island Championship. As we lined up on the start, we found ourselves listening to coach Tyler's advice of "running through the puddles" as it was more efficient for the given conditions. Despite the poor weather and slippery conditions, we all crossed the finish line with smiles on our faces. Our senior girls quartet qualified for provincials and Madison qualified for, and competed at, the Canadian XC Nationals in Kingston, ON. Unfortunately, Madison fell over another runner during the buzz of the first sprint and was spiked, but she was able to finish the race in true cross country spirit, coming 35 of 250 after starting dead last.

The 2016 season was one filled with great accomplishments. As second term begins, our runners are now as fast and fit as ever thanks to the help of the brilliant coaching staff who made the season such a success.

BEAT

This year was a jam-packed and exciting one for the Brentwood Environmental Action Team (BEAT), full of new projects and great student interest. To kick start the year on a social note and to enjoy the last of the warm evening weather, we hosted a bonfire on the waterfront complete with s'mores and hot chocolate for students to enjoy. For members, we got creative and tie-dyed shirts for the team.

The BEAT's first environmental action of the year was helping an NGO, SeaChange, restore local eelgrass populations. Then the fall and winter held great outings to hikes to local areas such as the Koksilah forest, where we saw some amazing trees, and the stunning Kinsol Trestle, which we visited on a snowy winter afternoon. Our main project this year, entitled "Home Tweet Home," saw many awesome and dedicated volunteers build and install nest boxes for the birds of the local Somenos Marsh Wildlife Society.

Throughout the year, BEAT reps continued to work tirelessly in the houses to assure that proper waste sorting occurred. We hope that with continued diligence, and with the support

of our waste sorting team, headed by Rebecca S, Allard '18, Friday night sorting of room garbages will become the norm.

The spring brought on the Herculean task of waste sorting at the 47th Annual Regatta, where reps patrolled to make sure all the guests and athletes on campus stayed green by ensuring their waste was sorted correctly. Meanwhile, the annual "Pizza On Patel" energy saving contest is always a good way to bring recognition to the importance of energy conservation and a bit of green competition between houses, with the winner getting free pizza for the whole house! The BEAT also hosted an afternoon on the waterfront which allowed students the opportunity to enjoy swimming and paddleboarding in order to beat the heat of the approaching summer weather.

What a great year! The BEAT provided a year full of community action which allowed leadership opportunities for many dedicated student volunteers who had a blast making a difference in the outdoors.

Basketball has been on the rise in recent years and this year was no exception. The Provincial-winning juniors joining a solid senior team, which, along with a trip to Hawaii, produced a special season. Following the typical first term struggles, we started to resemble a team as newcomers Cole Hickey & Somto Dimanochie were integrated into the system. Scrimmages against the Island's best teams produced encouraging results. This positive outlook grew following a win at the G.W. Graham Tournament.

While most Brentwood students spent their winter break at home, we had the opportunity to travel to Hawaii. While hoops was the focus of the trip, it could be argued that the main purpose was to grow closer as a unit, on the court, on the beach, or at Cheeseburger in Waikiki.

2017 didn't get off to the best start as we lost three close games, but the coaches found positives in our play as well as areas for improvement. These weaknesses were addressed in

practice and took our play to the next level, particularly on the defensive end. Our dominance on that side of the ball allowed us to come first at North Islands & Islands, including wins against rivals SMUS & Lambrick.

Heading into Provincials as the #1 seed, we had two early wins and an impressive victory against G. W. Graham, setting up an Island brawl for the championship against SMUS. Whether it was the pressure of the bright lights or fatigue from the night before, we did not play well in the first half, and headed into the locker room 11 points down. In the second half, we were a completely different team, slowly closing the gap before taking the lead for good, ending with a 10-point victory. The thing that led to this comeback was our season slogan: family.

There are several people deserving of thanks: my teammates, Coaches Gage & Sullivan, transportation, and the fans who supported us. We are super excited to see what we can do next year!

Olamide Olatunbosun, Privett '18

Driving for Excellence

(top row) Cole Hickey tips it off; Ender McDuff looks for an open pass (next row) Brendan Sullivan opens up; Casper Poelen eyes the rim; Aaron Shulga (and his hair) drive past an opponent (third row) Jonathon MacDonald warming up (bottom row) Somto Dimanochie above the rim; Olamide Olatunbosun going in for the layup; Bruno Chan brings the ball up the court.

Senior Girls Basketball

(back row) Zjaya Doman, Aldan Madin, Captain Chidinma Ayadiuno, Megan Adams, Glory Chima, Frankie Alexander & Mr. Warner
(front row) Ndeve Sali, Clare McLachlan, Flavie Belanger-Jones & Deborah Chima.

For many of the girls, this year's season began early in September, with sunny outdoor practices, jogs, and tiring hill sprints. The rigorous training quickly whipped us back into shape after long and relaxed summers. Following our fitness regime, we built offensive plays and worked on our defensive techniques. Shortly before we kicked off our competitive season, we welcomed Mr. Doman as our assistant coach. With his intense knowledge and love for basketball, we knew he had a lot to offer and we were ready for a change when he joined us. After initial bumps adjusting to a new coaching voice, we soon adapted to Mr. Doman's coaching style.

Jumping right back into the loop of things after Christmas Break, the girls hosted the annual Ogilvie Invitational Tournament which showcased a plethora of exceptional basketball. The following week we travelled to St. Michael's, to play in a tournament with a number of skilled teams: this proved to be both a mental and physical challenge. After the tough weekend at SMUS, we had a week to prepare for our much-anticipated overnight tournament hosted by Mark Isfeld in Comox.

After a tough opening game loss, we rallied together for a strong win (earning a well appreciated sleep in) before a late night team dinner. To end our stay in Comox, we faced Ladysmith in a nailbiter. After a slow first half, we hungrily came into the third quarter facing a fifteen point deficit. Halfway through the third quarter Brentwood had tied it up. In the last two minutes of the game we were down three points. Spectators on the sidelines were jumping out of their seats, coaches were pulling out their hair, and the benches were going crazy. Unfortunately, Ladysmith played strong defense in those last seconds and we lost by one point. Finishing the season with a play-in game to get to Islands, the girls played an emotional game and left it all out on the court for a strong finish to the season.

Thanks to Mr. Warner and Mr. Doman for all of their efforts on our behalf.

Junior A Boys Basketball

(back row) Mr Sullivan, Ben Rossouw, Jack Napier-Ganley, Mauricio Cunille Loustalot, Keaton Heisterman & Ms Napier
(front row) Grant Dillard, Konrad Krappen, Ian Grabher & Sebastian Cooke.

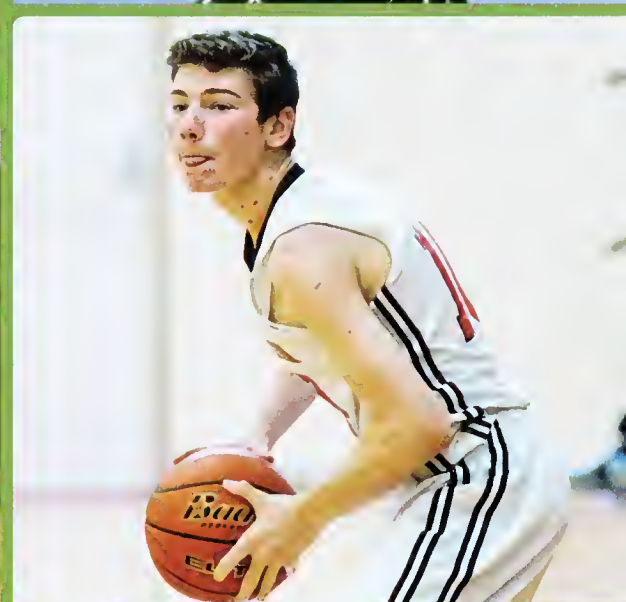

The Junior Boys team started their season off with a 3rd place finish in their opening tournament at Lambrick, narrowly losing by one point in the semi-finals to the eventual champion, Claremont. The boys then looked ahead to their next challenge: they travelled to Vancouver seeking success. We thrived in our first two ISA games coming away with two victories, setting up a meeting with a tough St. George's team in the semi. It was a close game, but the opposition pulled away in the fourth quarter. After falling to St. George's, the boys kept their heads held high and defeated SMUS, capturing back-to-back third place ISA finishes.

The boys then returned home to compete in the Brentwood Challenge Tournament, starting off strong by winning their first two games, and were ready to compete for a spot in the finals. We showed no sign of fatigue, playing one of our best games of the season, defeating Lambrick. Up next was Mount Doug. The boys competed hard throughout the entire game, but didn't quite have enough, ending up finishing second.

After finishing the season with a 13-6 record, we were ready to compete for a spot in the Provincials as we travelled to Belmont where we faced the host team in the opening game. We were hit with a full court press and were defeated by the eventual second place team. As we always seemed to do, however, we showed tremendous resilience by winning the next game against the North Island Champ, NDSS. For a berth in the Provincial Championship we were then up against Lambrick, whom they'd had a perfect record against. Unfortunately, we fell short despite our best efforts. We then ended the season on a high note, defeating Oak Bay for a fifth place Island finish.

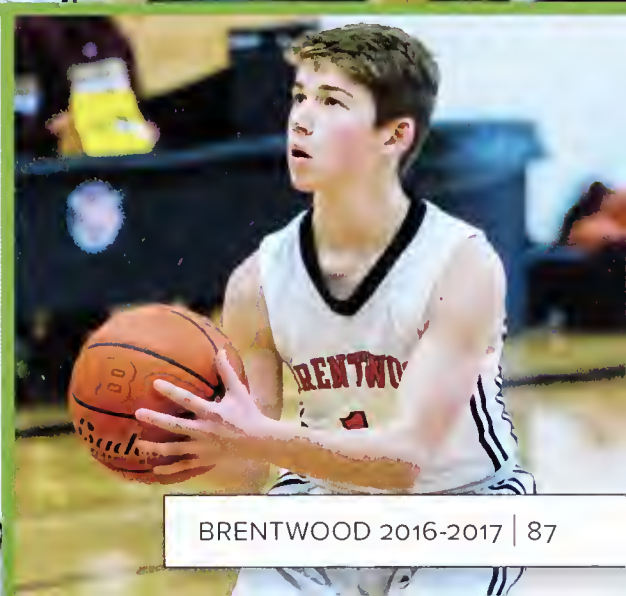

The Grade 10s will continue to devote their time over the offseason to improve their strength and skills, competing for playing time with the seniors next season. Good luck also to the Grade 8s & 9s as they assemble next year's Junior team.

Ian Grabher, Rogers '19

The Future of Hoops is Now

(top row) The team cheers from the bench; Mauricio Cunille Loustalot looks for an open pass (next row) Jacob Bossi & Caden Koontz play tough defense under the hoop; Grant Dillard muscled around his opponent; Sebastian Cooke (third row) Ian Grabher looks for a pass (bottom row) Jeff Modupe follows through; Konrad Krappen surveys the field; Jack Napier-Ganley at the free throw line.

Junior Girls Basketball

(back row) Ms Tarrant, Rae Wheaton, Willemijn Poelen, Leila Megevand, Tochukwu Ayadiuno, Brylee Martin, Maja Pintus & Desola Ogunlade
(front row) Haley Hockin, LJ LaVallee, Abby Sullivan, Grace Paton, Mia Luna & Cate Cochrane.

This year in Junior Girls Basketball we started with many inexperienced but hardworking players. The season began at Dover Bay in Nanaimo. Even though we faced tough competition, we worked hard and showed tremendous determination in both games. Considering this was the first time we had played together, it was a challenge to play as a team. At the end of the day the team may not have gained the results we wanted, but we walked away with a hunger to do better.

Slowly but surely, we started to improve our skills and connect as a team by playing games against strong teams in the area such as Shawnigan & Lake Cowichan. Although these teams proved to be tough, we worked harder every game and learned the importance of teamwork and having each other's backs on and off the court.

Long practices and many league games helped us get to a highlight of the season, the ISA tournament. We came out strong, winning our first game and then losing a close battle

to Mulgrave. Throughout this game the team continued to play hard, playing better every quarter. Sadly, this was not enough to pull off a win and we lost 38-36. This knocked us out of the championship bracket but the team rallied and showed up the next day, played their game, and ultimately placed 6th, a giant improvement from the beginning of the season.

The girls could not have accomplished what they did without their two amazing coaches, Ms Tarrant & Ms Mackenzie. Not only did they give up their time to coach, but they also demonstrated patience and enthusiasm—even at the 7 o'clock games.

The Junior Girls basketball team not only showed their determination not to give up, but demonstrated tremendous heart on and off the court. Over the course of the season, even as injuries arose, the team continued to show up and give 100%, whether it was a practice or a tournament game. We can not wait for next season so we can continue to grow as a team and welcome new players to the program.

Junior B Boys Basketball

(front row) Derek Yu, Gabriel Altamirano Castellanos & Ben O'Malley

The Junior B Boys Basketball team didn't have the strongest beginning. Many of us were not entirely familiar with the sport of basketball which meant that the team had a lot of confusion and little teamwork. As a result, we suffered a big loss in the second game against Chemainus. As the season continued, however, the team started using more teamwork and picked up its game, winning three consecutive games.

The boys went into the Mid-Island Championships as a solid #2 seed. In the tournament, they easily won in the semi-finals against Cowichan High School, which placed them in the finals against Chemainus. The team fought very hard in the finals, and kept the score difference to the single digits until the very end. In the third quarter, however, Ope Remi-Adelasoye, one of the key members in the starting lineup, fouled out, which put the team at a significant disadvantage. Even though the team played very hard in the last quarter, we lost the game by four points.

Even though it was a heartbreaking loss, it was impressive to see the team, which barely knew how to play together in the beginning, progress into one of the best squads in the region. Thanks to Mr Brown and Mr Gage their excellent coaching and support.

Ice Hockey

It was a very busy and successful year for Brentwood Hockey. With 56 skaters, three teams were formed with everyone getting the opportunity to represent Brentwood and proudly wear the B in a competitive game.

The First team had a successful year, playing many competitive games against highly skilled teams from the Island, the Lower Mainland, and the Sunshine Coast. The First team finished with third in the Ross Cup losing a nail biter to the eventual champions, St. George's, 3-2. The Second team saw much improvement among its roster throughout the season and ended up getting the winning feeling in a couple of games along the way. The Junior team was a new addition to the program this year and became a crucial element in ensuring all members got the chance to play. The players on the Junior team developed great chemistry over the year and have bright futures within the Brentwood hockey program.

There were many happy memories created over the season: The Saville Cup, the St. George's Pacific Cup Tournament, and, of course, the Ross Cup headline the list, but other highlights

include warm ups by Kleinschmidt, the first ever three-on-three tournament, and Mr Flynn's famous "kayaks" which were just as important.

Three school awards were presented: Most Valuable Offensive Player was awarded to Assistant Captain Xander Assaly; Most Valuable Defensive Player went to netminder, Reid Gladman; and the Coach's Award was given to our Captain, Mason Shadlock.

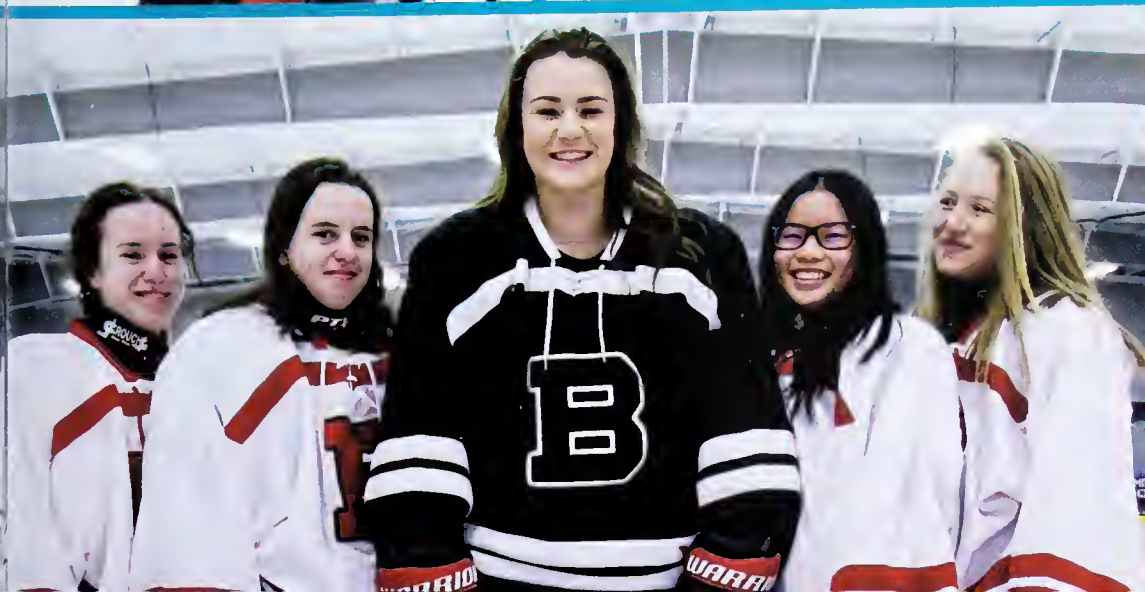

The program is very appreciative of the entire coaching staff, Tom Shadlock, Ian McPherson, Paul Kleinschmidt, Jackson Webb, Rob Webb & Aaron (Spotzi) Spotts, for making all this possible. This year marks the end of an era that will not soon be forgotten. It is Mr Flynn's 17th and final season as the leader of Brentwood Hockey. His dedication, determination, and passion for the game has turned hockey into one of the largest sports offered at Brentwood. For the countless hours he puts into practice plans, setting up games, and organizing the entire schedule, we thank him. Mr Flynn will be dearly missed by both the hockey program and the Brentwood community.

Debate and Model UN

They say that public speaking is the one thing people fear more than death. Our debaters this year met this fear as an old friend. As the club continues to grow, we also see skill levels in the group rise.

The year started off with a bang as students travelled to Vancouver for the International Independent Schools Public Speaking Competition. Then, students who had attended the 2016 World Round of the World Scholar's Cup in Prague headed off to the Tournament of Champions at Yale University. Meanwhile, all of our new debaters travelled to UVic for their first taste of competition and our students performed incredibly well at all events.

In January, we hosted the Interhouse Debate tournament. The final took place in the McNeill Centre and students from all houses came to support the top two teams. Fierce debate took place during the evening and, although all teams did well, Alex / Whittall took the win. The competitors were also joined by the Junior debaters who took on moderating duties that night.

Despite the snow in February, we hosted the second annual Victoria Round of the World Scholar's Cup tournament. Entering the largest number of teams (both experienced debaters and newbies) for this round, Brentwood emerged with the highest number of medals (and stuffed alpacas) and will be sending twelve students to Athens this summer for the Global Round.

The debate season came to a close as thirty students competed at Regionals, and a record-breaking number of teams earned berths at Provincials. Kavi Grewal, Whittall '17 & Afyz Mohamedali, Privett '17 qualified to debate at the National Championships, and Morgan Woodbridge, Allard '18 & John Edson, Rogers '18 qualified to debate at next year's prestigious Oxford Cup.

Aside from debating, 20 students travelled to Vancouver to take part in solving the world's problems at VMUN and two teams took part in the Provincial Mock Law Trials in Victoria.

It has been a busy year for everyone in debate and we are all excited to keep doing what we do best again next year.

Our tough competitive season truly began back in September as we began to put together the pieces of our team. Many of our players opted to play for the Cowichan Rugby Club during these cold, rainy months to jump start the season, gaining some valuable playing experience. Undefeated throughout the season, Cowichan dominated the league and became BC Provincial Champions. After a grueling second term of training, our team found itself completely reshaped as we lost several players to injuries and country club tennis and gained many new players fresh off their competitive seasons of basketball and hockey.

Fresh off of some convincing exhibition victories, we were feeling confident going into our competitive season. Unfortunately, we suffered two narrow defeats in our first two games, facing off against last year's provincial champions, SMUS, in our season opener and Collingwood, who finished last season in 2nd place, in our first Stadium Series game.

Our next Stadium Series game took place a little closer to home at Shawniga where we met the traditional powerhouse, Rockridge. We dominated the game both offensively and defensively in a convincing 51-7 win, solidifying our 3rd place provincial ranking. North Island Finals followed, where we played NDSS, earning another convincing win, securing our spot as North Island Champions and setting us up to face off against SMUS once again in the Island Finals at home.

Before an enthusiastic and sizable crowd, on the friendly green of Gillespie Field, we faced SMUS for the Island title. Receiving the opening kickoff, we hammered away at the Blue Jags in a series of attacking phases which resulted in a try before the game was five minutes old. The rest of the first half was not as kind as we fell behind 5-15. Though we closed the gap to 19-20 with five minutes to go, SMUS capitalized on a turnover and put the game out of reach as time ran out. It was a great effort by our squad and a quality building block as we prepare for the Provincials.

is not uncommon for girls to underestimate themselves. Whether this is because of a flaw in the fundamental values that girls are taught from a young age, or because of pop culture, I have confidence that rugby is something that has the power to change this. Girls should see themselves as individuals who are capable, confident, and powerful.

The Brentwood Girls Rugby team is a team which encompasses females from all backgrounds and social circles. As a result, social barriers are broken when these girls join in common interest. Rugby is more than a sport: the pitch is a place in which a female can feel included and confident in what she is doing, knowing that she is important to the team regardless of her individual strengths and weaknesses. Each girl is a unique puzzle piece who helps form the final picture of what a team needs to be.

As girls build confidence on the field, they also find themselves being more confident off it.

More than two-thirds of the team are new to rugby this year and almost half are new to the sport this spring. Thanks to amazing coaching by Mr Felix, Mr Cowie, and Team Canada Captain and Olympic Bronze Medallist Ms Russell, each girl on the team has worked tirelessly: it is incredible how far the quality of their playing has already come.

As the only AA team on the island, we have had many opportunities to challenge ourselves against local AAA teams. Despite experiencing a number of losses this season, we will be going into Provincials ranked in the top three AA schools due to the tremendous force and success with which we fought each of these teams.

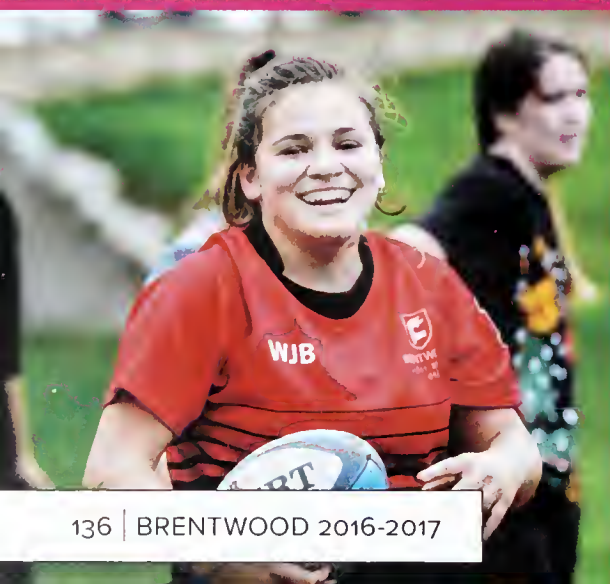

I am beyond proud of the perseverance and dedication that these girls have put forth. As these girls mature into more experienced players, I have confidence that they will become both incredible players and women.

The Colts rugby team had another successful rugby season. At time of writing, they qualified for the BC Provincial Championships and secured a spot in the Island final by beating Oak Bay 34-21 in a wet and tense affair, replete with equal amounts of sublime beauty and coach-killing craziness.

The game was an apt final turn to a galloping season. Ten games in April, including close wins against Collingwood and South Delta, and some lopsided scores against more local competition, sharpened our skills and developed team cohesion.

Come May, we hit our stride, and pushed Shawnigan to within a score before narrowly losing 38-24 in a barn-burner of a match which had spectators and coaches biting their nails.

This set up a semi-final against perennial powerhouse Oak Bay, who had dispatched all in their way. In the end, our combination of strong set piece and dynamic attack was too strong, and we raced away winners.

There are plenty of success stories. We were led up front

by Captain Jacob Bossi, who was direct both in style and in substance; Matty McDougall Percillier, of swift feet and deft touch, put our backline on the front foot and had defences grasping at shadows; Ope Remi-Adelasoye, in his first stint in rugby, proved that there is no substitute for speed; Liam Mitchell was a menace both in the lineout and around the fringes; and Joel Cook looked likely each time he had the ball.

There are other successes, too; Dylan David and Scott Jonson both earned starting spots by simply out-working their opposition; our Mexican contingent, including Pedro Pinson, Sebastian Cerda, and Gabriel Castellanos, gave us a latin flair that off-set our prevailing conservative sensibility; Robbie Krysl put down the camera and transformed himself from interested observer to impassioned contributor.

The key, though, is not in the individual successes but in collective progress. An army of 36 trained three times a week in all sorts of weather, showed courage and guile, and made this coach proud.

Onward to the Island Final and Provincials.

Despite the short season that the Senior Girls Soccer team had, we fought hard and learned new techniques all while finding passion for the game. From our very first game, the girls worked hard competing in multiple tournaments and league games ending the season with a tough loss in the Island Championships. Although the team was disappointed, the girls kept their heads up and are able to look back on an incredibly memorable season.

With both coaches having busy schedules, Wes Barrett and Jill Fougner dedicated much of their time to the team teaching us how to play and love the game. They led us to an astounding first place victory in the second tier of the Nike Classic Tournament, our first of the season. Continuing on that success, the girls placed second in their league which placed them into North Islands where they lost in the final, placing second overall.

With the team's strong backline, forceful and skillful midfield, and the strikers' determination, the girls had quite the run during the Island Championships. After many intense and engaging matches, the team ended the season with a devastating loss to SMUS. This was the game to determine who would continue on to Provincials. Not only did we play a full game, the team continued to fight during overtime but with not much luck. The season ended with a shootout where the girls had their final strike at the ball fall just short.

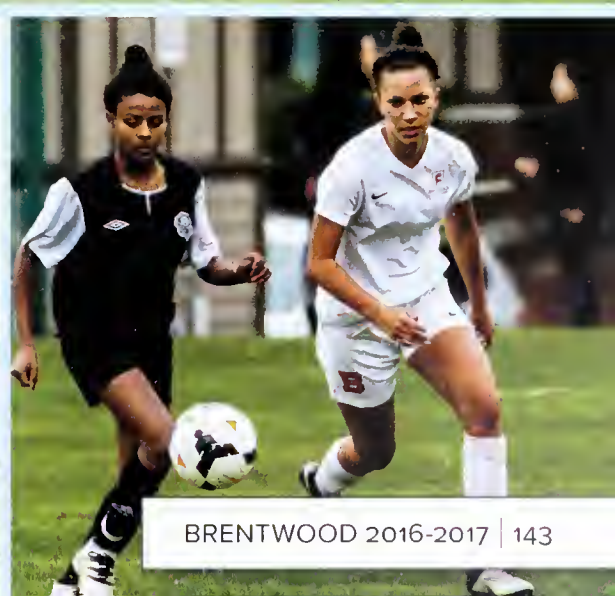

The determination and dedication this team has is indelible and it's sad to see such a great season come to an end. As the Grade 12s go their separate ways, I wish the best of luck to the girls for next season!

Our team had quite a season. We competed in tournaments, played league games, & bonded as a team. We were small but mighty. All the girls contributed so much. That includes all the girl who have ever had to play for us because we were short on subs. Despite our shortage in numbers, everyone always tried her very best despite being inexperienced, tired, or injured. Our team is full of amazing players & wonderful people.

In the beginning, things were a little rough. Over time, with some polishing, our whole team improved so much. This would not have been possible if it weren't for our coaches, Mr Collis & Blair Sturrock. These two make it fun for us to practise in pouring rain, boiling sun, or freezing wind. Whether it be Mr Collis teaching us to juggle or Blair teaching us to flatten out, start over, & break lines, we always had a good time. We are looking forward to continuing to improve our skills & working hard next season. Janey Woolls, Hope '20

After decades of coaching on a field cunningly placed next to a precipitous drop into the sea, I was relieved this season to be moving across the campus where, tucked north of the tennis courts, I thought life would be all beer & skittles. It turns out that our new, unfenced field is directly next to a thorn-infested bog of despair where no junior girl is willing to retrieve an errant pass without tears, threats, or both. And reader, so many of our passes were errant. One time I made fun of Blake Gage's knees in a meeting and this, clearly, was his petty revenge.

Did we win leagues or tournaments? Not as such. Did we show flashes of greatness, like exhibitionist lightning? I pondered that question one rainy Tuesday in May when I sloshed through the briars to retrieve a ball that Janey had launched thirty meters into the morass (where was that power during the Kelsey game?), my calves cut to ribbons, my soul in agony, when I stumbled upon a flower in the prickly weeds. This, reader, is a metaphor for Junior Girls Soccer.

Rowing at the top competitive level in North America has become a fulltime sport. Clubs from across the continent are developing international programmes that are attracting more and more athletes. There were almost 60 boys signed up at the beginning of the year. When we thought we might lose some after the first rainfall, we actually gained a few before the midterm break.

In the fall we competed in Rowing Canada's National Championships with Peter Lancashire and Lion Tautz winning the silver medal in the pair and the gold medal in the Under 19 Canada Cup quad. We next hosted our friends from Green Lake and then travelled down to Seattle to take part in the Frostbite & Head of the Lake Regattas. We had a successful dual with Shawnigan and then the next day we raced everyone at the Tail of the Gorge, hosted by the University of Victoria.

We had a great Spring Break training camp at the Newport Aquatic Centre in Newport Beach, California. They are arguably the top junior club in the United States and many lessons were learned along the way.

Though it is becoming increasingly difficult to win medals at our own Brentwood Regatta, we finished with a gold, silver and two bronzes. These successes on home waters earned us a trip down to Seattle for the Opening Day Regatta and got the wheels rolling as we ended up winning the 8+, 4+ and 2- at the Shawnigan Lake Regatta. The next report (in the supplement) will summarize our trip to St. Catharines and the Canadian Secondary Schools Rowing Championships.

I would like to thank my co-coaches, Robyn Amiel and Michael Braithwaite, for their endless hours before, during, and after all of the events we participated in this year.

To the Grade 11's—you have some very large shoes to fill next year. Take the challenge and bring some friends along with you. To Peter, Lion, Aidan, Phil, Joe, Leon and Justin, thank you for your endless support of the program and the best of luck to you in the future. There is always a seat in the coach boat when you come back to visit us in Mill Bay.

Mr Brian Carr

Junior Boys Rowing

(back row) Mrs. Coy, Bo Prachuabmoh, Malte Niggemeier, William Weirmier, Ryan Chao & Alejandro Prieto Botaya
(front row) Konrad Krappen, Darcy Smith, Thomas Lapsley, Sonny Assaly, Matthew Watkin, Axel Ewashko, Grady Robson & Jesse Harold.

The Junior Boys had a fantastic year training on the waters of Mill Bay and in their racing season around Vancouver Island. Yale Handler established himself early as a real leader in the crew, helping with deciding how to dress the crew and working out the logistics of communication. Thomas Lapsley proved his strength throughout the year by being the consistent leader in ergometer testing. William Weirmier and Axel Ewashko must surely win the award for pushing themselves the hardest all season; they were the most consistent in achieving the best results on the crew's 30:30 erg workouts.

The boys worked hard all season achieving good results at the Elk Lake Spring Regatta, Duelling Over a Grand Regatta, and the Maple Bay Regatta. While they did not win many races early in the season, they showed great perseverance in pursuing Mrs Coy's goal for them of going the fastest they could in their lane. By the end of the season, they were getting much better results. They steadily gained speed all year and were able to qualify for Nationals in St. Catharines.

Jesse Harold and Konrad Krappen could easily both vie for the honour of most improved oarsperson this year; they both made incredible gains in technical skill as the year unfolded. Alejandro Prieto Botaya was always cold as is befitting a young man born in warmer climes who spent the winter rowing along the shores of a temperate rainforest.

Finishing their local racing season, the boys came third in the eight at the Shawnigan Regatta, and a highlight was Axel and Konrad winning the Novice double. They all worked hard and should be congratulated for a successful season as they move on to CSSRAs. It has been an honour and a privilege to coach such fine young men this year!

Mrs Gillian Coy, *Coach*

Ahoy, Coy's Boys!

(top row) The Junior Boys 8+ takes a break between pieces; the 4+ is sitting ready to race (next row) coxswain Sonny Assaly; Alex Bell & Jan Philipp Wedemeyer have their game faces on (third row) Malte Niggemeier, Bo Prachuabmoh & Egor Ukraintsev having fun during Regatta; Darcy Smith, William Weirmier, Jesse Harold & Thomas Lapsley going for gold in the quad (bottom row) Felix Wilson coxing away; Thomas Lapsley, Jesse Harold & Yale Handler; Konrad Krappen enjoys his time on the water.

Girls Rowing

(back row) Katherine Buckley, Valentina De Agüero Bitar, Amaya Varma, Erin Berry-Dillen, Lindsey Penner, Danielle Macdonald, Haruka Onishi, Tabatna Hernández Sanchez Navarro, Hannah Caldwell & Zoe Napier (middle row) Mr Wismer, Haley Harris, April Lavigne, Hanna McNeill, Kate Laumann Wallace, Zara Pachorka, Matilda Haewon Lee, Allulah-Beth Collins, Anna Veraszto, Megan Adams, Tasmin West, Amelie Eitle, Ms Tarrant & Mrs Sage (front row) Katie Vowk, Trinity Ldunich, Antara Patel, Thea Hogendoorn, Venetia Mavromihalis, Anne Hamilton-Lane, Chaya Napier, Seo Young Ra, Amber Gaskill & Maelene Butler.

The year began with the 12s filling in the shoes & seats left by the Grads of '16; we all geared up for an adventurous journey down the water. An exciting addition to our team was Ms Tarrant who joined Mr Wismer to coach the seniors while Ms Sage led the juniors with Mr Wood. We also started a new chapter with novices learning to hold an oar while the veterans swung back into the boat.

At the Brentwood-Shawnigan Duel Race the V8+ came first & sounded an alarm: Brentwood girls were back on the water. Tail of the Gorge was another fun regatta where we earned gold in the 4+ and a reunion with '16 Grads Brooke M & Renee L. We next headed to Seattle for the Frostbite & Head Regattas earning 2nd & 3rd.

Then racing halted as we moved through our coldest Brentwood winter. We competed at the Monster Erg & Brentwood Shawinigan Ergfest. The novices pulled their first 2k erg while the veterans were determined to PB.

To escape the cold & snow that never seemed to go away, we flew to California for Spring Break. Sunscreen became our best friend but by the end of the trip everyone wore invisible socks. The trip was magical with 2 or 3 warm practices each day & Disneyland & In & Out that spun our fatigue to happiness.

Back at Brentwood, time flew by & in the blink of an eye 4 regattas were complete. At our Brentwood Regatta the V8+ came 2nd while the 4+ came 3rd; both qualified for Opening Day. The 4+ traveled to Seattle with the rambunctious boys 8+ & won gold. At Shawnigan the Jr 4x+, Lwt. 4+, 4+ & 8+ all grabbed seats to CSSRA.

It is now time to head to CSSRA to prove how mighty we can be. Everyone has worked strenuously to the point where our bodies and hands are demolished. Thank you, Ms Sage, for always taking care of us regatta bunnies, Mr Wismer for always making us laugh with your quirky feedback (my favorite being EAGLE...dove), Ms Tarrant for always pushing us & making us chuckle. Special thanks also to Warren for always fixing the things we broke: you're the best boatman out there. Ladies this is your race, LET'S GO HUNTING.

Senior Tennis

(back row) Mrs. McLean, Nick Pitaksith, Evan Hoy, Antonio Caraza, Andrés Ospino Calderón, Will Hardy, Daniel Mueller, John Edson, Alejandro Godin Gonzalez, Jonathan Gunawan, Nick Prachuabmoh, Gregorio Bertozzini, Mr. Brendan Patel & Ms. Chen *(front row)* Faye Liaw, Amelie Eitle, Michaela Yatauro, Maya Jones, Flavie Belanger-Jones, Bethany Woodbridge, Nancy Mao, Leila Megevand & Tochukwu Ayadiuno.

Many of the Senior Tennis players started training for the spring season at the indoor courts during the second term. They put in many hours in the bubble while the rain pounded down outside. When it was time to move outdoors, the rain significantly hampered training: the courts were unplayable on many days. Despite the lack of sun, however, the players managed to get some quality training time on the court with coach Nick McLean & alumni Christopher Chan.

The team played league games against Shawnigan and St. Michaels, showing good improvement with every match as partners became more familiar with each other. At the Vancouver Island ISA tournament the boys placed 3rd and the girls placed 2nd. This was a good result for the team against a number of quality teams on the Island this year. The team played their best tennis of the year at the Vancouver Island Tournament, securing a berth to the 2017 High School Provincial Tournament held in Vancouver on May 25-27.

Mrs Marci McLean, *Coach*

Juniors Claim Silver at Provincials

The season started with a strong group of 10 boys & 10 girls who were interested in competing on the junior Brentwood tennis teams. After putting in plenty of time on the practice courts honing their skills, the juniors played some friendly matches against Shawnigan in anticipation of upcoming major competitions.

At the Island ISA tournament, the boys played strongly finishing 3rd, while the junior girls defeated all teams to place 1st. The girls then traveled to Vancouver to play the Mainland winner, finishing second to a strong Crofton House team.

The second major event was the Junior High School Provincials which both teams entered. The boys improved on their performance every match & finished 6th in a strong field while the girls saved their best tennis for this tournament, defeating Riverside, Shawnigan, & Collingwood before losing a hard fought match to Crofton in the final, thus claiming the silver medal.

We look forward to a number of these players moving up to senior next year as well as a strong nucleus who have another year of junior eligibility. Thank to Mr Brendan Patel & Mrs McLean for all their hard work & a fun season.

Much of the media romanticizes suicide (13 Reasons Why); it's important to address how serious an issue it is & encourage people to get help. There is still a dangerous stigma around ANY mental illness. The conversation about mental health needs to reach farther than designated awareness days like Bell's Let's Talk Day. www.cmha.ca has amazing resources for those seeking help & those who want to understand. Grade Eight

Three years strong, the Grade 8 Program continues to leave a positive impact across the Brentwood College campus.

Our journey began on the high seas with a four-day SALTS trip aboard the *Pacific Grace*. The Grade 8s were given full run of the ship, and learned all about navigation, hoisting sails, swabbing decks, launching dinghies, and keeping evening watch. Though intense, this experience forged friendships and started the school year on a high note.

The fall term had the 8s exploring the depths of the Horne Lake Caves, immersing themselves in various cultures during our Night of the Notables event, and strutting their stuff on stage during their performance of *Willy Wonka*.

The colder winter months had us indoors with preparations for our Destination Imagination competition and making new friends with our reading buddies at Alexander Elementary School. Students got into the holiday spirit by decorating gingerbread cookies with their young buddies, and “paying it forward” to their loved ones and local communities.

Despite some spring showers, we could not wait to get outdoors again. We spent third term as boat holders for the Brentwood Regatta, climbing the canopies at WildPlay, and camping and biking at Skutz Falls. We also acquired important life skills in the areas of sewing, car maintenance, cooking, and survival, and embodied significant figures from the Renaissance period to educate guests attending our Renaissance Ball.

Alongside all of the fun we had, we also managed to get down to business. Important skills were learned and practiced, including time management, organization, self-advocacy, assessment preparation, and mindfulness training. In true tripartite fashion, many Grade 8s also embraced the sports and fine arts programs available on campus.

Many thanks to the teachers and staff who supported this energetic group. The biggest thanks, however, goes to the students themselves who made this year-long journey a memorable one.

Houses

Alex House

June marks the end of another unforgettable year of traditions in Alex House, yet also the beginning of a new chapter. This past year we welcomed many new faces and personalities into Alexandra. From the littlest of Grade 9s to the Lifers in Grade 12, this year created a host of memories to last a lifetime. Birthday parties with DQ cakes, Big Little Sister Groups and Movie Nights are just some of the activities in which the girls participated through the year to stay happy and engaged.

In-house breakfasts were particularly popular events in the House: prepared by the Grade 12s, the menus often consisted of bacon, cinnamon buns, croissants, crepes and much more. Annual traditions like decorating gingerbread houses and playing our house-wide game of Assassin—in which we included our brother House Whittall for the first time this year—are great examples of both whole house bonding and Dino Fam bonding. This year's Barbie's Dreamhouse themed Open House was a hit. Participants attended dressed as anything from Doctor Barbie to PJ Party Barbie, often with Kens to

match! The Polar Bear Swim, not so popular among the juniors but a crowd favourite with the Grade 12 Prefects, followed by an in-house breakfast, was Alex House's most famous tradition this year.

A special thanks to Mrs. Mais for her guidance and her ability to always bring a smile to our faces, nor can we forget Mrs. Warner, a constant pillar of support and love, and her adorable children Finley and Sullivan. Gigantic thanks also to the rest of the Alex House duty staff for keeping our House running smoothly throughout the week.

Each and every girl in our House created a busy environment of family, which will be greatly missed by the Grade 12s graduating this year. As House Captain, I leave this year with a bittersweet taste in my mouth, ready for the future, but sad to leave my family that I have built here.

Allard House

It feels like yesterday that Allard welcomed its young Mermaids to their new home away from home. From the moment we were on the field playing getting-to-know-you games, I knew that this year would be an adventure.

We began the year, not only welcoming new girls, but also welcoming our new Assistant House Parent, Mrs. Smith, and her family: Mr. Smith, Phoebe, Sebastian, and Pera. Mrs. Smith quickly learned the twist and turns of being a mother to 64 more girls.

With Gwynn groups, prep Tim's runs, and late night snickering, Allard has become a place full of life-long friends and memories. Allard prides itself on its unwavering traditions which include capturing a little Privett boy during Orientation, Secret Santa, and waking up the entire school on the final morning. Without these traditions, Allard wouldn't be the amazing house that it is.

The fine line between suspicious antics and harmless shenanigans is determined by our amazing duty staff:

Ms Fougner, Mrs Reynolds, Mr Carr, & Ms Olszewski. Without these lovely people constantly on our tails, Allard would likely have collapsed by now.

The most important people to keeping the house intact are Mrs Carr, Mrs Smith, and our RFA, Ms Tarrant. We do not show nearly enough appreciation for how much work these amazing women do. Mrs Carr, with her constantly whimsical and astute nature, Mrs Smith, with her nurturing and curious demeanor, and Ms Tarrant with her active and spirited perspective.

As this year quickly comes to a close, many of us are slowly realizing the swift pace with which this year has gone by. Come June, the house, as it is now, will become just a memory. Grade 9s, stay sweet and humble; be mentors to next year 9s. Grade 10s, stay dedicated and thoughtful; persist through the years ahead. Grade 11s, stay strong and vivacious; make your final marks on the house and the school. And, finally, Grade 12s, stay insightful and resilient; don't forget your roots.

With love, Linnea Munro, *House Captain*

Ellis House

This year has undoubtedly been a momentous one in Ellis House history. Through good times and hard times the boys have consolidated as one unit, and an unforgettable sense of camaraderie has been established this year. From Lewis' unforgettable, tear-jerking, rendition of "Delicate" to Zaid, Cameron, and Julian's star roles in the play, *Picasso at the Lapin Agile*, to the Gr. 11 boys (and Alex Tsai) bringing home the provincial title in basketball (coached by the one and only, Mr Sullivan). And don't forget the wildly successful Ellis Open House: these are just a fraction of the defining moments of the 2016-2017 Ellis House—and when can we last say the Head Prefect was in Ellis?

Almost half of this year's Ellis population came new to Brentwood this year. I am proud to say that every single one of these new students have adapted to their new surroundings and added their own flair of individuality to the Ellis atmosphere. Much has been accomplished by Ellis House boys this year—in all aspects of Brentwood life, but not without the dedicated help of the prefects, returning students, and of course, our world-class duty staff.

Our duty staff is second to none as they continuously dazzle us with their expertise, and their earnest dedication; without them, Ellis House would certainly not be the same. Mr Cowie's Monday nights would not be the same without his iconic jokes. Mr Luna never ceases to impress with his remarkable intellect and genial composure. Mr Skardal is always keeping us on task, but never sacrifices goodwill. Mr Pascoe (Privett '07), although it took him a couple of years, finally found out which house was best. Mr Sullivan and Mr Wismer, your guidance is always valued. And last, and certainly not least, Mr Flynn, we wish you the best of luck in retirement, and hope you always keep Ellis House in your memories.

To next year's Ellis House boys, we have the utmost confidence that you will lead the house and continue to exceed expectations.

Mackenzie House

Mackenzie, although a boarding house, is not a house at all; it is a home. It is home to three big dogs, one cross-eyed cat, two energetic boys, one Bridger, one Neil who likes tea and bow ties, one rugby Olympian, one Lulu McCallum who is herself a home to a soon-to-be baby, one flawless Sue Cheung, and 71 individuals who fill the hallways with laughter and fill my heart with love.

In September, several Mack returnees gathered to assist the 28 new Mack residents adjust to the Brentwood lifestyle. After the returning students arrived, it took mere few hours for Mackenzie House to become this year's Mackenzie family. Our Mack babies (Grade 9s) quickly became a tight knit group that brightened our days. The Grade 10s came together to form a foundation of positivity. The Grade 11s grew into leaders whom I'm confident will strongly run the house next year. The Grade 12s grew from kids to adults ready to face the world that awaits beyond the Brentwood gates.

Our duty staff and Houseparents don't simply watch over Mack, they are a part of it. Our incredible Houseparent, Ms Sue Cheung, is the glue that holds the house together and is the light that shines through it all, even when the power goes out (AHS).

Mack is filled with traditions: Mack House skate, in-house breakfasts, tea time with Robbie, Mack Fams, Christmas dinner, Secret Santa, and the Grinch. However, Mack folks also build their own little traditions. Whether it's late night dance battles, post-prep rap battles, or highly competitive two square battles, they will leave the biggest imprints on us when we depart.

Within the Mack walls and my memories, countless hours have been spent walking dogs, singing to 80s music, crying tears of sadness over broken hearts (and bones) and crying tears of joy over great achievements. Seventy-one individuals came together to make one family. To summarize, I will quote Nicole Chrenek, Mack '17: "We closed our eyes and fell knowing that we would catch one another. None of us were perfect, but our house was."

Hope House

A year in boarding follows a narrative arc. The introduction, began when 26 new girls arrived in an unfamiliar setting; characters met and an atmosphere coalesced, created by the girls who formed the *dramatis personae*. Underpinning myriad plots and character development are our house values of kindness, inclusion, respect and service. A good story cannot exist without internal and external conflict nor can a house of 61 young women. Conflict occurs in every relationship worth its salt; as girls grew from strangers to friends and melded into sisterhood, of course we argued, complained and whined. But we also laughed, supported, teased, inspired and mentored one another. During the 10-month climb up the arc towards the climax—our final night as Hope House in its current iteration—what has brought us together is our inclusive atmosphere, from Hopelings hanging out in one another's rooms and Big and Little Sister dates to Just Dance parties in the kitchen and deep conversation in the music room. We are from different countries, cultures, religions, languages and backgrounds,

but through conflict and resolution, through our belief in the importance of community, we came together beautifully. The 9s contributed their energy and never-ending questions; the 10s contributed opinionated perspectives and learned that trust is critical; the 11s contributed teamwork and delicious in-house breakfasts; the 12s contributed tireless leadership and late-night conversations. Our symbol is the dragonfly because the girls of Hope are strong, determined and beautiful. With Privett, we sported blue and pink at Interhouse and discovered how it felt to be in the lead. As the year concludes, we will sit around the bonfire and share stories, laughter and tears, singing "Sweet Caroline" and saying thank you and farewell. Those who do not come back in September may no longer live in Hope House, but they will always be Hopelings. The building offers a beautiful setting in which to create our story, but it is the girls and our wonderful staff who made Hope a home, and the girls within, a family.

Privett House

2017 has been an outstanding year in the Halls of Blue. Although I think it is fair to say that either facilities or the school administration turned down the heat in Privett in the fall, a select group of young men entered in September, ready to take on anything and we have turned it back up! From Day One, every grade stepped up to their individual challenges: for the Grade 9s it was to bother the duty prefects as much as humanly possible; for the Grade 10s it was to assure everyone how much more mature they were than the Grade 9s. The Grade 11s have come a long way, but they still have a long way to go if they want to be leaders like this year's Grade 12s were. ;-)

Under the lead of Sports Captain Rhys Nielsen, Privett charged ahead right from the first Interhouse competition and maintained the top spot. It has been a long time since this last happened, but it couldn't have happened without a truly unheard-of miracle: Privett topping the Interhouse tables in effort ratings. These accomplishments didn't go unnoticed, and Privett hoodies (and everything they include) were once again the hottest commodity on campus.

Despite our teachers' first impressions, we have achieved maximum results with efficient effort, and the duty masters this year were struggling to keep up with the boys. One who mastered the challenge was David "Danger" Brown, our RFA and probably the single-most attractive bald man I have ever come across. He will be sorely missed next year when it will require true strength and skill to control a bunch of Privett seniors pretending to be as masterful as the Class of '17.

To sum up Privett's year in one sentence is easy: no tighter band of brotherhood can be found on campus. It is easy to hide behind a bull, to ride imaginary unicorns, or to rob the poor and helpless as a pirate, but to proudly wear a ram on your chest needs men of character, and this year we were blessed with 66 of the best.

Bleed Blue.

Rogers House

Boys... thank you. Time is a jewel, worth more than any coin or precious stone. Time is eternal, omnipresent, infinite, and different after every second, yet constant. Time is an inventor and an artist—a masterpiece. It is a wise teacher. A giver and a taker. It is an invisible adversary, yet it is yours. Time can also be a gift, and let me tell you, it can be one of the most beautiful gifts you can ever give.

I really value time, and the things I do with it. The times I value the most are the ones I share with friends. From this year, I will wholeheartedly remember the moments that we shared together, time shared with you: singing happy birthdays, playing guitar by your side, our polar bear swim in December, our neon-lights Open House, Sunday soccer afternoons; all of them worth it. Really make the best out of time. There is ALWAYS something new that can be learned, taught or accomplished. If anyone ever tells you that you will never be perfect, take it as a compliment, because it means that you can ALWAYS aim to become someone better. Gift your time.

This school is a beautiful place. In Rogers this year we had people from more than 15 different countries, representing five continents, all sleeping under the same roof. We shared our backgrounds, our cultures, and created a community based on friendship that will last through the years. Muchas gracias.

For the Grade 12s, our time at Brentwood is finished, but our trust in our young pirates will never die. Remember that, brothers; take care of each other and support each other in the good times and in the bad times. I saw our house getting stronger this year, with connections being created between and among all grades.

Thank you for your help, energy, time, kindness, joy, brotherhood. No past experience compares with the wonderful year we just spent together. Having been your House Captain has been a privilege and honour. I am thankful and proud.

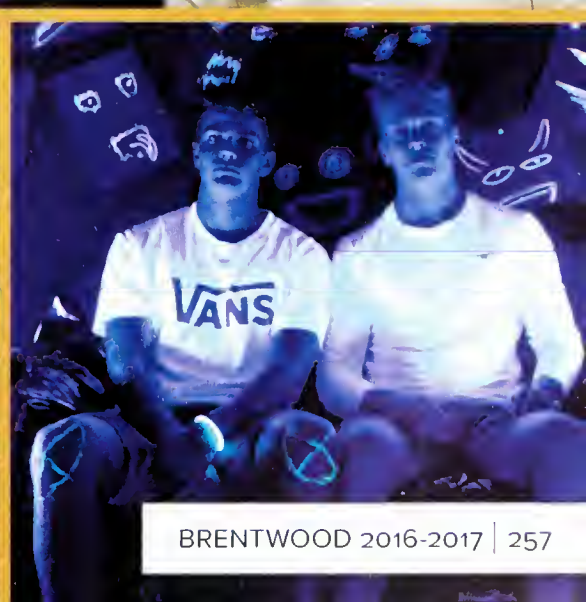

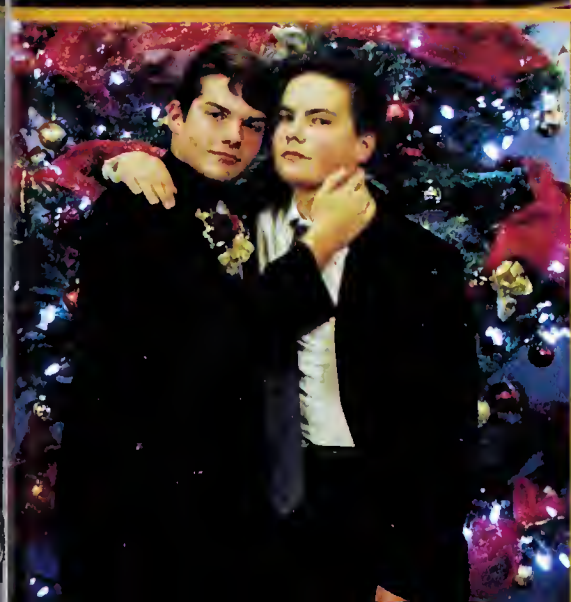

Stay focused. Stay strong. Be good. Enjoy your time. Take care. Sincerely, I will miss you boys. Thank you!

Whittall House

Although a deceptively short time has passed, this year's group of Whittall boys have transformed from a collection of friends and strangers to a brotherhood bolstered by Whittall's foundational values of Honour, Integrity, Perseverance, and Trust.

The boys battled ferociously for the Interhouse title alongside the Alex girls, but also spent quality time with their partners in battle, be it at the bumpin' bowling lanes in Duncan, or in the glowing amber of the firelight in the newly renovated Whittall common room.

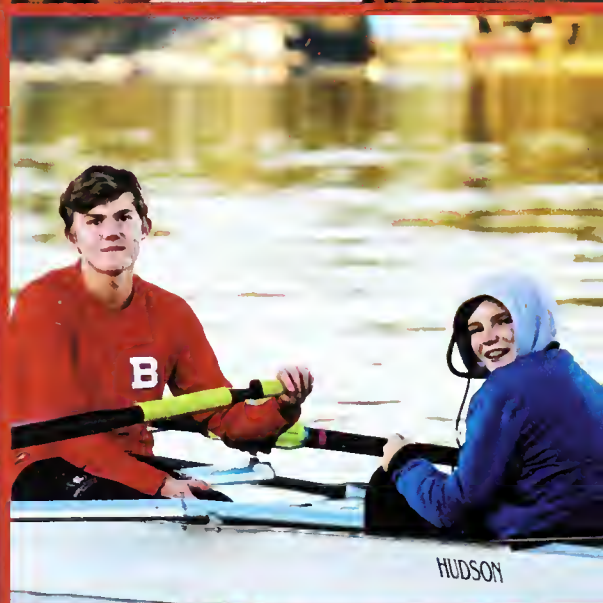

The passing school year has left many of these young men taller, stronger, with a very slightly diminished chance of winning a Darwin award, but most importantly, it created and fortified a brotherhood. In the time since September (stolen away from us with thief-like dexterity) I have treasured all of the time I had the pleasure of spending with the boys. I write with confidence that if any Whittall boy needed help in a back

alley, a bad date, or with scrubbing the space between their shoulder blades, anyone in the house would always have their back.

Along with a fantastically stacked roster of athletes (Xander), mathletes (Kavi), and everything in between (Derek), the lineup of House staff has no lack of superstars. Providing additional leadership during prep this year, Mr Miller, Mrs Thomas-Brown, Mr Lee, Mr Bryant, Mr Clausen, and Mrs Whitney all worked diligently to corral and give help to students during prep, an often trying task for both parties.

Perhaps some of the most influential characters for Whittall boys at Brentwood, Mr Barrett, Mr Amiel, Mr Gage, and their families blessed Whittall with their presence this year living under the same roof as sixty teenage boys. I write confidently when I say that if we accomplished something here, be it over the last week, or over the last four years, we could not have done it without them.

(standing) Lindsay Winship, Emma Mandziuk, Antony Van Cleave, Brady Campbell, Dylan Campbell, Finn Bailey, Wyatt Campbell, Benjamin Stephenson, Brianne Pavlis, LJ LaVallee, Coach Sue Whitney, Anna Haebler Singer **(sitting)** Sarah LaBonte, Marquita Zollmann, Sarah Gillies, Ben O'Malley & Jemma O'Malley.

Much to my delight, Brentwood has embraced field hockey as an all year competitive sport and the third term saw the introduction of a co-ed team practicing twice a week and playing in the Cowichan Valley Spring League in evening games. The team played in the Under 19 age group because it included a few Grade 11s and 12s and the team was bolstered by many juniors.

We were in tough against talented and older opposition but the spirit and never-say-die attitude remained. Having the likes of the athletic Campbell triplets (Brady, Dylan & Wyatt) and our goalkeeper Mr. Phenomenal, Antony Van Cleave, kept the team upbeat. Skill and knowledge was provided by Jemma O'Malley and Anna Haebler Singer while speed and dazzling stick work was demonstrated by Ben O'Malley and Benjamin Stephenson. Enthusiasm came from the remaining relatively inexperienced players. Hard work saw all of our athletes improve in their tenacity, skill, and knowledge of the game. They were an exhilarating crew to coach.

Mrs. Sue Whitney

Boys Provincial Rugby

MAY 31 TO JUNE 3

In early June, Brentwood had the chance to host & compete in the BC Rugby 7s Championships. As it took place just a week after the 15s provincials, we only had two practices to form teams & get used to the different style of play. Our more experienced team was entered in the tier one competition & the younger guys played in tier two.

Brentwood A played three games on their first day, winning against Oak Bay & Aberdeen Hall. Our only loss of the day came against Shawnigan, who would eventually win the championship. We then won our quarter-finals match against Saint Michael's. It was a very satisfying overtime victory after we lost to them in the 15s Championship finals. We then lost another competitive game against Shawnigan in the quarter-finals, but went on to win the Bronze medal game against St. George's. This result showed our improvement over the two days. Thanks to the many students and staff who helped create a wonderful rugby atmosphere on the school's sunny campus.

Keiran MH, Rogers '17

In our first game at the 15s BC Championship we capitalized on Rockridge's mistakes. We won 29-5, but we were rather disappointed in our efforts. We next faced #2 Collingwood. Our intensity was greater than the previous day; we came up hard on defense and spread the ball wide on offense. This led to two tries: a 12-0 lead. Mental lapses and poor tackling, however, led to Collingwood tying up the game before the half. In the second half we played stifling defense, not allowing any points while scoring two tries. The game ended 24-14, sending us to the finals for the first time in years. The team was excited with the result, but knew our job not over.

In the final, SMUS gained a 24-0 lead. We eventually put some points on the board, but it was too little, too late. We lost, 24-14, but walked away with a Silver. While we were disappointed, a 2nd place finish is nothing to scoff at. Over the past four years, we have improved our BC finish from 9th to 6th to 4th to 2nd. We walked off the pitch with silver medals around our necks and heads high.

Girls Provincial Rugby

MAY 24-27

We took a young, developing team to the BC Tournament in Abbotsford with no expectations except our 2017 mantra - get better every game. We thought it was important for all of the girls to play and Imisi Adeoye, our inspirational and selfless Captain, agreed. Our first game against Kamloops saw us score three tries in the first ten minutes as we were able to build off great kickoff receptions by Grade 10 prop Hayley Fear and use our speed to score out wide. Then, as young teams often do, the players relaxed a little and Kamloops battled back, using their powerful forwards to batter through our smaller pack. At the half we were tied and the message was clear that we had a tough fight on our hands. Unfortunately, we had lost our speedy Grade 9 fullback Trinity Zdunich to injury in the first half and we missed her cover defence and attacking flair. A terrific start to the second half put us ahead again by a couple of tries but Kamloops wore us down and went up by two with minutes remaining. A brilliant run by Grade 9 winger Desola Ogunlade seemed to give us the winning try at the final whistle, but the touch judge's flag was up as Desola had glanced the sideline on her route to glory. An unlucky

postscript was that Brylee Martin had hit the upright on her last conversion when the referee, for some reason, did not allow her to move the ball ahead for the kick.

In the next two games we played everyone almost equal minutes, allowing the younger players to get some tough competition. We lost both games narrowly but saw great evidence of a fine team in the making. We are very excited about the 22 players who are returning and we hope to see further progress next year. They are an enthusiastic group to work with who have fallen in love with rugby, largely as a result of the inspirational coaching of Olympian and Canadian National Team Captain, Kelly Russell. We wish her success in the World Cup and thank her for her great contributions to the team. She will be missed but remembered with great fondness by all of us who had the privilege of working with her.

Mr Steve Cowie

Provincial Senior Tennis

This year the Tennis Team played in and hosted the BCSS Senior Tennis Provincials in Vancouver at Queen Elizabeth Park. We played host to 400 high school tennis players from across the province. On the court, the team had an excellent tournament with members playing their best tennis of the season. We won all our pool matches on Saturday and advanced to the quarterfinals as the #1 seed from our pool.

In the quarter-finals the team defeated a tough West Point Grey opponent to move to the semifinals and a guarantee of being in the top 4 BC. In the semifinals, the team came up against perennial champions Collingwood and, despite a valiant effort, were defeated 7 sets to 4. The team was denied a medal at this year's tournament losing in the 3-4 match and having to settle for a respectable 4th place finish. The incredible duo of Faye L and Nancy M were undefeated in their ten matches throughout the tournament and were named top girls' doubles team. This is the second time Nancy M has won this award in her time at Brentwood.

Off the court, the team also had many memorable moments, usually involving singing and/or dancing where they tried their hand at busking in front of the hotel, won a dance off with Shawnigan at the banquet, rapped for prizes, and serenaded the long time, retiring coach of Shawnigan with their fellow tennis playing friends.

It was a terrific season and a provincial tournament filled with many great memories for this Brentwood team. I would like to thank all the team members for their dedication and spirit this year, with a special mention to the team captains Alejandro Godin Gonzales and Nancy Mao.

St. Catharines

JUNE 2-4

This was the 45th year we have competed at the National Championships. It started with us picking up two new boats, an eight and a quad. These boats will be formally christened in April 2018 at the Brentwood Regatta.

There were 123 high schools represented by 2100 athletes from Canada and the U.S. in 753 entries. We had 46 athletes in 18 events. The competition was very strong, even better than we have seen in the past. We were, however, able to make it through heats, semi-finals and qualify 9 boats for the final day of racing.

The girls' team finished 6th and the boys' 8th: our combined totals placed us 3rd overall. This was a great team effort by every one of the 46 athletes.

A special mention to the medal-winning crews: Bronze: Sr Boys 4x & Sr Boys 8+; Silver: Sr Boys 4+; Gold: Sr Girls 4+ (Seo Young Ra, Kate Laumann Wallace, Tasmin West, Allulah-Beth Collins & Danielle Macdonald).

Congratulations on a successful year of rowing and I look forward to what next year has in store for us.
